

DESCRIPTION

The Vantec LapCool TX Ultra is a unique notebook stand with built-in fan for notebook of all sizes. The built-in silent fan leaves you undistracted by noise but also reduces the temperature on your notebook. Designed with an adjustable stand and fully rotating base, you can share the information on the screen with others during a meeting or presentation. Add a keyboard and mouse and turn it into a more comfortable workspace. Light, thin and easy to carry, the Vantec LapCool TX Ultra is a terrific accessory for any notebook user.

FEATURES

- ▶ **Adjustable Height**
- ▶ **360 Degree Rotating Base**
- ▶ **Ultra Silent Fan Powered By USB**
- ▶ **Free Airflow Enhances Heat Dissipation**

INSTRUCTION

1. Place LPC-460TX on a flat even surface
2. Adjust brace to the desired level. Make sure the brace's legs are securely seated.
3. Carefully place notebook on the stand
4. If you need to adjust the brace, remove notebook before doing so.
5. Connect the USB cable to an available USB port
